# NEWS FROM THE RENAISSANCE

## THANK YOU!

---

For taking the time to read what is new here at the studio. I have several upcoming events that may interest you!

## December 2nd

---

Santa Claus will be here in the studio on December 2nd for one hour starting at 11:00 am and ending at 12:00

This event is in conjunction with our community's downtown Christmas shopping event .

This event is much the same as Scare the Square as I once again take complimentary portraits of your little ones with St. Nick. This event allows them first and foremost to interact with Santa and go through their wish list with him. Images and prints from this event will be ready approximately 1 week to 10 days after. Please call the studio and arrange the pickup times. If you are interested in ordering from the event please call for pricing and packages. **Sorry no groups.**

## SCARE THE SQUARE, 2017

Once again this year Aurora's own Scare the Square was a blast! I photographed more than 45 children in 2 hours and each and everyone of them were dressed very creatively and it made for a very fun evening and great portraits. The complimentary portraits are now ready for delivery. Please call the studio to find out what dates and times work for you to pick up. Also, if you are interested in prints and packages please let me know and I will pass on to you those prices.

## HARVEST GALA @ The Leadership Center

### NOVEMBER, 18th

Join us for the 3rd Harvest Gala on Saturday, November 18, 2017. A beautiful event raising funds for a great cause. The event will feature a cocktail hour with delicious food, drinks and a silent auction. The evening will conclude with music from BD & the Boys and dancing! **The Renaissance will be there to photograph you and your date and those images will also be available for purchase after the event. These will also be ready for Christmas giving. Please call for prices and packages.**

## Countdown to Christmas

I am in the Christmas mode here and on task to complete my best year to date.

The last day to order any thing for Christmas will be December 14. In the past I have tried to complete the orders right up to the week before but this year with Christmas being on a Monday it does make a difference for the folks who process my work.
